

Nursery News

This month we have enjoyed:

- Learning about different styles of art and artists. We had lots of fun creating beautiful artwork to display for our family and friends! These included portraits of our dads using natural found materials in the garden (in the style of Andy Goldsworthy), Picasso style sculptures of our dads, abstract car printing, pop art hand printings and collage pictures of our homes in the style of Henri Matisse's 'The Snail' picture.
- Learning about bears! Playing in our 'teddy bears' hospital role play area, retelling the story of Goldilocks and the three bears; learning about different types of bears and their habitats, enjoying sensory storytelling with We're going on a bear hunt!

In July we will be exploring - holidays, the airport, the seaside and under the sea!

Happy Eid to all our families who celebrate!

Thank you to all our families who came along to our art exhibition at Osterley Park! We had a great day and were very proud to display the children's beautiful art work in such an amazing setting! We hope you enjoyed the day as much as we did.

Please remember... when the gates are closed please close them behind you EVERYTIME you enter and leave the nursery (see email dated 3/7/17)

Ideas to help at home

- Kids go free at many top London shows this August- <http://www.kidsweek.co.uk/>
- Developing early numeracy- help your child spot numbers both at home and when you're out and about- road signs, clocks, TV remote controls etc. Also try letting your child help to count out the plates, cups, spoons etc. for dinner!
