This month we have enjoyed:

- Learning about the airport, plane spotting in the garden using binoculars, packing suitcases for holidays and taking on different airport jobs - pilots, check-in staff and passengers.
- Listening to sounds of the seaside - sea gulls, waves, tug boats etc. and making stripy lighthouses.
- Exploring our under the sea aquarium role play area - spotting crab, sharks and squid!
- Sensory play with shells, sand and water.
- Singing and dancing to pirate action songs.
- Listening to whale song and exploring different ways of moving like sea creatures - slithering, crawling, floating etc.
- Making treasure coins and going on a treasure hunt. Listening to new stories such as the 'Rainbow fish'.
- We had great fun at our leavers' party - thank you to all the parents for coming along to join us!

In August we will be learning about Transport, Music and Colours!

Goodbye and Good luck to all the children leaving us this summer to start new adventures at big school! Don't forget to pop in and visit us, we love to see you all dressed up in your new school uniform!

Please remember...

- While the weather continues to be so hot, it is essential your child comes into nursery with sun cream already applied - some children are still coming in without cream on. A Sun Care Policy was sent out to all parents, some parents have not signed and returned them as yet.
- As always, our newsletters are available on our website. If you'd prefer us not to use your child's photo, please let us know.
- Breakfast time - breakfast is served between 8-8.30am only. Children coming in later than this time will need to eat breakfast at home.
