EEE – Early Education Entitlement – this is funding given to parents towards childcare fees the term AFTER a child reaches their 3rd birthday. The additional 15 hours (totaling 30 hours) is dependent on your eligibility.

ELE – Early Learning Entitlement – this funding is for children aged between 2-3 years old who are eligible. For further information please visit:

For children starting after the first of the month and leaving before the end of the month, all fees will be calculated on a daily rate.

All fees are payable in full (including Bank Holidays) regardless of a child's absence due to sickness or family holidays.

Deposits are refundable provided at least one month's written notice is received when you no longer require the place for your child, or you have no fees outstanding.

We close over the Christmas period but this is taken into account and a reduction to reflect this has been spread across the twelve monthly payments.

We do not issue invoices or confirmation of payments in order to keep fees down but if you receive support payments we will issue an invoice if requested by a government agency. If your fees have not been received our bookkeeper will contact you in time to avoid a late payment fine.

NB. Late payments will incur a fee of £20 per invoice
